

**MAXIMUM 1000 WORDS for the entire poster paper (not including references). Do not exceed the 1-2 SINGLE-SPACED page limit.**

**TITLE:** 80 Characters Maximum (Not Including Spaces)

**AUTHOR (S):** Last Name, First Initial. **Example:** Smith, J.

**ORGANIZATION:** Name of Company or University Only, Departments will be deleted during editing. Please use an em dash instead of a comma or a hyphen for institutions that include state and city names. For example, write: University of Illinois—Chicago (please, do not write University of IllinoisChicago or University of Illinois, Chicago). Moreover, please, do not preface organizations with “the.”

**DESCRIPTION OF THE PROBLEM** (Suggested length 150-250 WORDS)

Abstracts can be edited to improve grammar and concise language before and after peer review but must match the content of the original submission.

- Do not insert additional titles within the abstract that disrupt the narrative. For example, “Research:...”, “Results:...”, “Discussion:...”
- Avoid statements like, “\_\_\_ is why the presentation fits into this year’s theme” • Full references should only appear in the “References” section at the end of the paper.

**LITERATURE REVIEW** (Suggested length 150-250 WORDS)

Include a literature review and/or references that describe the existing base of knowledge the presentation is building upon.

**OVERVIEW OF THE CONTENT** (Suggested length 250-350 WORDS)

Submissions should be nearly final and have well developed ideas, logical structure, and follow the guidelines for in-text citations, formatting, etc.

Avoid first-person narration.

- Please center all figures, tables, and corresponding titles.
- Please align all paragraphs, headings, and sub-headings flush-left
- Separate paragraphs with spaces instead of with indentations • Please use [APA 7 format](#) for in-text citations

**CONCLUSION** (Suggested length 100-150 WORDS)

Conclude with a summary that explicitly identifies **what works** (evidence-based effective practice), **for who** (population(s), and **when** (age, career/life stage, etc.)).

**REFERENCES**

References must be in [APA 7 format](#).

**PLEASE, NO FOOTNOTES OR ENDNOTES**
