INVITATION TO SPONSORS

“In learning you will teach, and in teaching you will learn.”
– Phil Collins

Dear Future Sponsor:

The Mentoring Institute at the University of New Mexico (UNM) is currently looking for sponsors to support our 19th Annual Mentoring Conference. The conference provides a platform for professionals to share their insights on mentoring. Each year, the conference brings together more than 500 attendees to illuminate mentoring and spread their knowledge and practice so that people from various disciplines can continue their personal and professional growth.

By sponsoring the 2026 Mentoring Conference, your organization gains access to a wealth of mentoring information and materials, increases your brand's awareness, and affords exclusive opportunities to promote your business and align without the organizational goals of increasing awareness of the importance of mentoring.

Your sponsorship also gives you access to many marketing benefits like web and print advertising promotions. Your business will be mentioned in our social media outlets, including our website, and you will have the chance to advertise in our professional conference program. There are five sponsorship levels to choose from on the next page that give you and your business an excellent opportunity to increase its productivity, community, exposure, and employee satisfaction.

We hope you will join us.

Sincerely,

The Mentoring Institute
