VOLUME III ISSUE I

JANUARY 2016

THIS MONTH IN *MENTORING & COACHING MONTHLY*

This is the first issue of *Mentoring and Coaching Monthly* for the year of 2016. Although this issue is short, we are excited to welcome in the new year as we prepare for everything to come. Inside this issue, we feature some important dates to keep track of and highlight upcoming events!

ABOUT US

MENTORING INSTITUTE:

The Mentoring Institute develops, coordinates, and integrates research and training activities in mentoring best practices at the University of New Mexico (UNM). Through the application of instructional design standards, the Mentoring Institute provides training and certification services for a diverse array of staff, faculty and students, in a centralized effort to recruit, train and develop qualified mentors for the University, the City of Albuquerque and the greater New Mexico community.

The Mentoring Institute does not replace or direct existing mentoring programs. Rather, it provides a variety of services to these programs. The Mentoring Institute aims to build up current mentoring programs and enhance the culture of mentoring within the University, and the state it serves.

The Mentoring Institute will assist in stimulating and promoting a mentoring culture within the community. By encouraging the matriculation and graduation of students, as well as the retention of faculty and staff at the University of New Mexico, the Institute will also contribute to the development and economic growth of New Mexico.
